BANK ACCOUNT INTRODUCTION SERVICE

FOR NON US RESIDENTS

How do we assist you with opening your bank account?

Most Commercial and Retail Banks do not allow Non-US-Residents maintain an individual or a corporate bank account due to lack of social security number, business address, credit history and track record.

Globes America understands the need of Non-US-Residents to have a USD Business Bank Account. We maintain long term working relationships with US and International Banks to provide USD banking solutions for Non-US-Residents. We will work with you to meet the requirements of "Know Your Customer Policy" and open your USD Bank Account.

The banks we work with are willing to open an account for US LLC or US Corporation owned by a Non-US-Resident. They expect us to process an initial screening to our clients and prepare a semi due diligence and bank account application. Based on the information we provide to the bank a principal approval to open the account will be granted.

Then we will assist you with filling up a complete new bank account application which you will mail to the bank. The bank will process the application in few days and open the account.

We offer two types of bank account introduction & submission for US LLC / Corporation:

1. If you are a technology company we can assist you with opening a bank account with a US Bank without been present in the US.
2. If you are NOT a technology company, we can assist you with opening a bank account with a US Bank; however you will have to sign in person at the bank (in the US).
3. If you are NOT a technology company and don't wish to come to the US, we can assist you with opening an Offshore Bank Account for your US LLC (in Seychelles, Isle of Man, Gibraltar & Cyprus).

MERCHANT ACCOUNT INTRODUCTION SERVICE

FOR NON US RESIDENTS

Gain the trust of 300,000,000 Americans. Enable your US Customers pay you with Credit or Debit Cards (Visa, Master Card, American Express, Discover).

Globes America assists International Entrepreneurs, Non-US-Residents and Non-US-Citizens in opening a US Merchant Bank Account since 2006. Merchant account is a type of bank account that allows businesses to accept payments by debit or credit cards.

Using your Online Virtual Terminal, you can accept credit cards online through your web site. You can also manually submit the credit card information through the virtual terminal. You can link your US Merchant Account to your US Business Bank Account and receive the funds from your credit cards processing directly to your checking account.

Globes America will assist you in opening your US Merchant Account for the lowest rate on the web!

What is a merchant account, and do I need one?

A merchant account is set up with a financial institution to allow you to accept credit card payments directly from your clients. Unlike with most third-party services, money collected through your merchant account is deposited directly into your checking account within 2 to 3 business days. You need a merchant account if you want to take credit card payments from your clients using your own business name, and having the money deposited directly into your business checking account.

Do you offer merchant accounts Non-US-Residents?

Yes! We recently partnered with a processor to allow for Non-US-Residents operate a US Merchant Account

You are a U.S. based business selling high risk products or services

You are a U.S. based business with very poor personal credit

You are an International business located outside of the U.S selling any type of product or service.

We offer two types of merchant account introduction & submission for US LLC:

1. If you are a have a social security number / credit history or a US person with such who may be a guarantor to the account we can assist you with opening a US Domestic merchant account
2. If you do NOT meet the above mentioned criteria we can assist you with opening a USD International merchant account.

Please note:

1. The merchant provider will run a due diligence checkout on your business
2. You should be able to provide the information required (website, financials, policies, history)
3. We are NOT the merchant providers hence we have no authority to approve or decline your account. It should be clear to you that ONLY the merchant provider can decide on your account.
