US Incorporation Package Term Sheet:

✓ **Name Check:**

This process insures the accessibility of your company's name when we form your corporation or LLC. Before submitting an order form we ask for two company names. Within 24 hours of submitting your order form, we check the availability of the names you submitted to us. If one or both of the names are unavailable one of our representatives will contact you for additional names.

✓ **Drafting and Filing of the Required Documents:**

This process presents your corporation to the state you wish to incorporate in. After drafting and filing your articles of incorporation or organization, we inform you of the states decision regarding the formation of your business. State documents that certify the formation of your corporation are normally mailed to you 4 to 6 weeks after submitting your order.

✓ **LLC / Corporation Agreements and Certificates:**

Articles of Organization / Incorporation
State Certified Articles
EIN Confirmation Letter (TAX ID NUMBER)
LLC Operating Agreement / Bylaws
Members Interest / Shareholders Certificates

✓ **Free Business Consultation:**

Our business consultation service consist of experienced small business consultants that come from areas such as law, business, information technology, engineering, accounting and marketing. We have consulted with numerous business on and off the internet. As part of your package our business consultants will answer general business questions related to subjects such as marketing, finance, general management, production, and distribution. We also offer general help with the preliminary stages of financial planning for your business. Specifically, guidance in putting together the right financial structure (bank accounts, merchant accounts, etc.).

✓ **Complete Federal Tax ID Service - EIN in 24HR!!!:**

This service completes the process of preparing and filing the required documents with the Internal Revenue Service. The end of this process is marked by a federal identification number assigned to your corporation. This number allows your corporation to function freely in the legal/financial systems of the United States and other countries.

Note: We obtain Tax ID Number (EIN) from our International Clients in 24 hours. Many websites advertise EIN service which includes only preparation of the SS4 form, then you need to contact the Internal Revenue Service to obtain the EIN number and confirmation letter. This process can take up to 4 weeks.

✓ **Registered Agent for 1 Year**

All states require corporations and LLC's to maintain a registered agent in the state they are created. The registered agent is responsible for receiving important documents on behalf of the corporation or LLC.

✓ **Payment of State Filing Fees**

As part of each incorporation service, we pay the state filing fees for incorporating your business on your behalf. This ensures that the State documents and fees are processed together.
